

## CATHOLIC STUDENTS MAY GET CLUBHOUSE

Plans Made for a \$35,000  
Home Here to Be Built by  
Knights of Columbus.

### TO SELECT SITE SOON

Details Will Be Discussed  
When Committee of State  
Council Meets.

Plans looking toward the erection of a \$35,000 home for Catholic students in the University will be completed next week when a committee of the State Council of the Knights of Columbus will meet here to select a site for the building. The building will be in the nature of a clubhouse, with rest rooms, reading rooms and game rooms, an auditorium and accommodations for thirty men students. It is intended to have the home serve as a social center for the Catholic students attending the University.

The new clubhouse comes as a result of agitation by students who are members of the Columbia council of the Knights of Columbus. At the state convention of the order, held at Maryville last May, a resolution setting forth the need of such a building was introduced by the delegates of the local council. The resolution was favorably received and was adopted by the convention. It called for a per capita tax of \$2 on each council in the state and was to become effective upon its adoption by the individual councils.

Each council in the state has adopted the resolution and the work of raising the necessary funds has begun. There are 10,000 members of the Knights of Columbus in Missouri, and \$20,000 will be realized from that source. In addition there have been individual contributions. Archbishop Glennon pledged \$1,000 to the fund, and the bishops of Kansas City and St. Louis have pledged \$250 each.

The local council is making the visit of the state committee, headed by Joseph Kane of St. Louis, the occasion of a banquet, to be given at the Virginia Grill, Monday evening, April 16. Members will attend from Glasgow, Moberly, Jefferson City, Marshall, Sedalia, Booneville, Mexico, Martinsburg and Westphalia.

The program will include addresses by Mr. Kane, state deputy of the Knights of Columbus, Frank Herbert of St. Louis, the Reverend Father McCordle of Warrensburg, Scott Meyer of Hannibal, who was graduated from the University in 1913, W. K. Stone of Columbia, Prof. R. A. Muttowski of the biology department of the University and W. B. Nivert of Glasgow. The Glee Club Quartette will sing.

### NEBRASKA HAD RECORD ACREAGE

High Cost of Living Causes Vacant  
Lots to Be Used for Gardens.

By United Press

LINCOLN, April 7.—Nebraska's crop acreage this year will be the greatest in the state's history, but the crop yield will depend on weather conditions. The high cost of living, with the high prices paid for farm produce, is in part responsible for the increased acreage.

Only a normal wheat crop is expected, for farmers say that the wheat is not strong and will require the most favorable conditions from now on. Where wheat has been winter-killed, the farmers will plow and plant the field with corn.

The high prices brought by garden produce and by such staples as beans and potatoes, will mean an increased acreage for these also.

One of the effects of the high cost of living, which will be seen in cities and towns all over the state, will be an increased number of gardens. In the larger cities and towns every vacant lot stands a good chance of being used for a garden.

### NO FASHION SHOW IN FRISCO

Church Services May Become Main At-  
traction Easter Sunday.

By United Press

SAN FRANCISCO, April 7.—Easter Sunday 1917 will be remarkable for the fact that its observance in San Francisco churches did not consist of a fashion show as the main attraction and divine services as an excuse, if a movement started in Chicago and taken up in San Francisco is carried out.

A coterie of girl members of a Christian Endeavor Society in Chicago started the idea when they decided to keep their fancy Easter bonnets and new spring clothes in the dark recesses of the family trunk on Easter Day and to devote themselves to the spiritual and not the decidedly material form of worship. In San Francisco the Rev. J. H. Harney of the California Street Church made the first step when he requested that the choir of his church, which is to render elaborate Easter music, come in simple raiment, just to set a good example for the congregation.
